19 March 1985

MEMORANDUM FOR: Executive Director
Deputy Director for Administration
Deputy Director for Intelligence
Deputy Director for Science & Technology
Deputy Director for Operations
Director, Office of Legislative Liaison

FROM: Deputy Director of Central Intelligence

SUBJECT: Senator Stevens' Visit to CIA (Breakfast,
8:00-10:00)

The Director has decided not to make the session with Senator Stevens a budget-type presentation. He would like the DDO to give a presentation on what it's like to conduct CIA operations and characterize our operational activities overseas. The DDI will then give its pitch on types of analysis and maybe even a cradle-to-grave presentation, so to speak, of how a problem is analyzed and the intelligence product that follows. Lt.Gen. Faurer will then talk about the overall SIGINT effort and [redacted] will be there to address questions arising on the overall NFIB or specific programs presently budgeted in the National Foreign Intelligence Program. All addressees should be present.
